

# NZBC Senior Club

## What to expect in a club

The membership fee is worked out & the guidelines are set so that all players will be able to play at very low cost and enjoy games at similar levels. Generally Annual membership fee is worked out (about \$2/night) on the basis of sharing court time and efficient use of shuttles.

- 1. Everyone is expected to take turns and play on a roster basis. One game on & one game off is what is expected. Each turn you will be able to play 2 games continuously. 3 to 4 turns & 6 – 8 games is expected to those who arrive before start time and stay the whole time. On a night with less attendance, you may get more games which is bonus to set off against the bad days.**
- 2. Everyone is expected to play more games with similar level players and few games with lower or higher level players. However new players or visitors may be in a wrong grade for a while which you may need to be flexible until corrected.**
- 3. Depending on the night, some may have their best nights and some may not which may be beyond the control of anyone due to unexpected very high/low attendance, games scheduling pattern, players arriving late or leaving early, not signing out, not turning up to the court etc.**

Expect to play every other turn & each turn 2 games.

If you get to play 2 turns in a row that's a bonus.

Expect more games with similar level but be ready to play with lower graders as well.

Every night may not be the best night for everyone.
